

Three Furious Locomotives, a Spring 2020 CSC 492 team at the
University of Mount Union, announces

iAttend

This software product will serve as an efficient way to record attendance for the Music department at the University of Mount Union.

The system will utilize QR codes to identify students and track attendance to events for recital credits.

System Requirements:

A computer running a modern web browser

A smartphone running iOS 13 or Android 10

An email address

Alec Barker, Matthew Dutt, and Michael Jarman
